

GOLF FOR A CURE

Parkersburg Women's Golf Association

Wednesday, June 14, 2017

Registration at 8:00 am

Shotgun Start at 9:00 am

Come and join the ladies at Parkersburg Country Club for a fun day of golf and good food. Renew old friendships and meet new golfers from the Parkersburg area.

The proceeds for 2017 will be helping the Pink Mammogram Fund at the Camden Clark Foundation and WVU Foundation in Morgantown for research studies at the Mary Babb Randolph Cancer Center.

We will honor and memorialize our loved ones and friends with golf and lunch in the renovated bar area overlooking the course. Complimentary mimosas and bloody marys will be available during registration.

Grab your foursome and wear some **PINK!** The game will be a scramble format with the winning team receiving golf shop gift certificates for each team player. Mulligans and 50/50 raffle tickets will be on sale during registration. Everyone will be given a door prize ticket for entering the tournament and extras will be available to purchase. We award prizes for the longest drive, closest to the pin and most sand shots for the day.

GOLF REGISTRATION before Monday, May 29, 2017
