

David Quinn Memorial Award

Renewal Application

David Quinn was a Professor Emeritus at West Virginia University. David worked many years with the West Virginia Golf Course Superintendents Association. He served on the Board of Directors and held the role as moderator of the WVGCSA Turf Conference. David passed away August 11, 2001 and the WVGCSA wanted to honor him by adding his name to the non-turf scholarship.

All applications will be screened and selected by the WVGCSA Board of Directors. The decision for successful applicants will rest solely with the Board of Directors and their decision will be final.

Applications must be received by May 15th of the applicable year to be considered for the fall semester and October 15th of the applicable year to be considered for the spring semester. Notification to successful candidates will occur no later than August 1st and presentation of awards will be during the first two weeks of August.

Student Criteria

- Child or Grandchild, natural, step or adopted, of a current class AA, A or SM member in good standing with the West Virginia Golf Course Superintendents Association, or children or grandchildren of a deceased member in good standing at time of death.
- Be a person who exemplifies good moral character.
- Financial need is not a factor in the selection process.
- Have a GPA of at least 2.5 out of a possible 4.0 GPA.
- Must be currently attending a University, College, Vocational School or other post high school educational institution.
- A recipient may be considered for succeeding awards. However, such recipient shall provide the WVGCSA Board of Directors with a narrative of his or her educational pursuits for the previous year and a transcript of grades from the previous year. Grade point average must remain 2.5 or above to be considered. A new application will be necessary each year. All applicants will be considered equally each year.
- The award amount will be \$1500.00 to be paid \$750.00 per semester (adjusted in on quarter system).
- We would encourage former recipients of this award to contribute back to the fund if and when he or she were able to, so perhaps more young people could be helped by the Association. This is not a requirement.
- Applicants will be evaluated on academic achievement, extracurricular, community involvement, leadership and outside employment.
- The lifetime of this award will not exceed 5 years post high school instruction.
- Siblings may apply for the award during the same year: however, the selection committee has a duty to spread available awards to help as many applicants as possible. Any number of siblings could receive the award providing awards are available

To Apply: Please fill out the following and supply the necessary documents, which include a copy of your most recent transcript from the college or post high school attended. You must also submit your schedule for the following semester when available.
