PLAY9™ | POST9

What is PLAY9? - Since 2014 the USGA's PLAY9 program has been actively educating golfers and non-golfers alike the concept of the importance of the nine-hole round as a solution to address busy everyday lifestyles. PLAY9 is deepening its commitment at a local level and working closely with State and Regional Golf Associations to promote PLAY9 Play Days.

WVGA Involvement? - The WVGA in association with the USGA are conducting PLAY9 Play Days in the throughout 2018 to promote nine-hole rounds as a fun, fast, and affordable way for everyone to enjoy the game of golf no matter how hectic our everyday schedules have become. We encourage golfers, non-golfers, individuals, couples, and families to come out and enjoy just a few hours on the course in a laid back, non-competitive atmosphere, that is affordable for all!
