A message from the Chairman & President

As this year's chairman and President of the Turf Conference, I again invite all Green Industry professionals to attend the 30th annual conference and show to be held at The Marriott. The line-up of speakers is excellent once again, and they will expand your knowledge in many areas. Trade show participation is a must with the improved format to not only win great prizes but increase vendor/customer interactions. You will receive credits from the PGA, GCSAA and pesticide credits from Virginia, Maryland, Ohio, West Virginia, and Pennsylvania. With our efforts and your participation in continuing education at this conference, our industry will remain strong. Make your plans now and join us at the 30th Annual Turf conference at The Marriott in Charleston, WV.
