

Senior Series Exemption Criteria for WV Amateur and WV Open

The player who earns the most points in the gross (50-59) age division at the 26 regular Senior Series events (based off Senior Series points system) during the 2023 season will earn an exemption into the 2024 WV Amateur and 2024 WV Open.

- Points are only to be awarded to WV Residents
- If a non-resident finishes high enough at any event to earn points, they will not get the points and the next player in line will get those points (e.g. A player who lives in Pennsylvania wins the 50-59 age division at Glade Springs but the player in 2nd lives in WV, that player in 2nd will be awarded 1st place points for exemption purposes only)
