

The Roy Shreves Memorial Golf Scholarship Fund

Roy Shreves was the PGA golf professional at Moundsville Country Club (MCC) for 37 years, and called MCC home for almost 6 decades. His personal golf accomplishments are well-documented and were rarely shared, as his passion for “the club” and teaching the game of golf to those wanting to learn, took precedence. Roy was a gentle-giant in the game of golf, experiencing competition that most golfers dream of, but his focus was growing the game @ MCC and in doing so, he touched the lives of many.

Retirement came in 2002 with MCC granting emeritus status, as most appreciated Roy’s popularity and influence, while realizing his value as a legendary golf professional & gentleman of the game. In his retirement, Roy continued to impact young and old golfers, providing both golf and life lessons to locals and a select few who traveled hundreds of miles. The Roy Shreves Memorial Golf Scholarship Fund, created in 2023 and to be organized as a 501c3 non-profit organization, will assist student athletes (golf) with their education costs. This scholarship will allow Roy Shreves to forever be remembered and celebrated for his contributions to MCC and the game he loved.

Please consider playing in, or contributing to, the INAUGURAL Roy Shreves Memorial Golf Scramble on Sept. 17, 2023.
