Any WVGA Member Club may submit the following form with the purpose to be recognized as a WVGA Points event. Any event that is accepted will either be deemed a "Tier 1 Event" or "Tier 2 Event". Tier 1 events will award points for the top 5 finishers and awarded more for 1st and 2nd place, while Tier 2 events will award the top three finishers just like years past. Events will not be deemed Tier 1 or Tier 2 until the completion of the event. Just like years past, only WV residents can earn points and only the top three actual finishers are awarded points.
