USNDP Team West Virginia Points System

The following points system will be used to select the automatic picks of 3 Boys and 3 Girls to represent 2028 Team West Virginia of the U.S. National Development Program. This points structure will also be used when considering the captain's picks of 1 Boy and 1 Girl.

To be eligible, the player must participate in one WVGA event and meet the requirements at wvga.org. Players will split points in the event of Tie. If there is a tie for the final points spot of an event, points will remain the same for tied positions (e.g. If there is a tie for 20th at WV Am, 20th and 21st each get 75). For WV Open, Professionals are not considered when awarding points. Junior teams win mirroring WVGA points at Championship or One-Day event
